The Honorable Peter DeFazio
Chair
House Transportation & Infrastructure Committee
2165 Rayburn House Office Building
Washington, DC 20515

Dear Chair DeFazio,

I am requesting funding in surface transportation reauthorization legislation for improvements to North Baltimore (Business 63) in Kirksville, Missouri.

The Missouri Department of Transportation (MoDOT) is the project sponsor for this project. The project is located at the junction of North Baltimore Street and Highway 6 West, Kirksville, Missouri, 63501.

The funding is designated for the widening of the road and construction of turn lanes.

This project is an appropriate use of taxpayer dollars and will reduce congestion and improve safety. It will also support the city's rapid growth and will attract new businesses to the region.

I certify that neither I nor my immediate family member has any financial interest in this project.

Sincerely,

Sam Graves
Member of Congress
